**Examiner Interview Summary**

Applicants' Attorney conducted an interview with Examiner Anyikire on June 2, 2011 and a subsequent interview with Examiner Anyikire and Supervisory Examiner Kelly on July 6, 2011 in which a proposed claim amendment was discussed. Agreement was reached that the claims as proposed are in condition for allowance. The claims presented herein are similar to those presented in the interview.

**Claim Amendments**

Independent claims 1 and 11 are being amended to bring out distinctions over the cited art of record. In particular claim 1 now recites features of a process of providing holograms.

Claim 37 finds support in claim 9 (now cancelled).

**Information Disclosure Statement**

Supplemental Information Disclosure Statements (SIDs) were filed on March 28, 2011 and on May 16, 2011. Entry of the SIDs is respectfully requested.

**CONCLUSION**

In view of the above amendments and remarks, it is believed that all claims are in condition for allowance, and it is respectfully requested that the application be passed to issue. If the Examiner feels that a telephone conference would expedite prosecution of this case, the Examiner is invited to call the undersigned.

Respectfully submitted,
